of ENERGY™**

## 2018 WRISE Corporate Sponsorship Benefits

There are two primary ways to sponsor WRISE:

**Corporate Partnerships** (benefits vary by level) build our organization-wide programs and operations through sponsorships of all levels. Corporate Partners are publicly recognized in a range of formats for their leadership support of women, as described below.

**Underwriting Sponsorships** (\$7,500+) offer focused support for specific events and programs with an opportunity to target a specific audience. Sponsorship opportunities include the WRISE Events, Fellowships, and Webinars.

Many leading renewable energy businesses have contributed repeatedly over the years. You can see our current top sponsors listed on our homepage at [www.WRISEnergy.org](http://www.WRISEnergy.org)

**Sponsorships are a great opportunity to feature your company and are available in varying amounts. For further information or to reserve your sponsorship opportunity, please contact: Kristen Graf, Executive Director, at (718) 210-3666 or [Kristen@WRISEnergy.org](mailto:Kristen@WRISEnergy.org)**
