

Women of Renewable Industries
and Sustainable Energy

2020 Corporate Partner Benefits

ABOUT SPONSORSHIP

Annual Partnerships (benefits vary by level) build our organization-wide programs and operations through sponsorships of all levels. Corporate Partners are publicly recognized in a range of formats for their leadership support of women throughout the year, as described below.

Underwriting Sponsorships (\$5,000+) offer focused support for specific events and programs with an opportunity to target a specific audience. Sponsorship opportunities include the WRISE Events, Fellowships, and Webinars.

You can see our current top sponsors listed on our homepage at www.WRISEnergy.org

Sponsorships are a great opportunity to feature your company and we are always open to new ideas and customization. For further information or to reserve your sponsorship opportunity, please contact: Kristen Graf, Executive Director, at (718) 210-3666 or Kristen@WRISEnergy.org

Women of Renewable Industries
and Sustainable Energy

Women of Renewable Industries and Sustainable Energy (WRISE) is a national nonprofit that works to promote the education, professional development, and advancement of women to achieve a strong diversified workforce and support a robust renewable energy economy. wrisenergy.org
