# IMPACT PROGRAMMING BENEFITS

All Impact Programming sponsors are featured for the first 5 years of programming as a founding sponsor. Impact Programming sponsorship begins at \$25,000.

## PORTAL

Through Powering Renewable Energy Talent and Leadership, \$100k will fund new pipeline programs to ensure entry and access to the sector to build a diverse workforce including:

- Hosting virtual and in-person Career Fairs
- WRISE Advocate Program
- Creating networking and support opportunities to increase female entrepreneurs in the space in conjunction with our Partners.
- National PR and social campaign post-2024

*Current founding sponsors:*

## WRISE Center for Workforce Equity

\$100k will fund WRISE initiatives:

- Launching a series of programming and events that will increase representation and elevation of excluded communities, including BIPOC perspectives, in 2024
- Post-2024 years the program will develop and disseminate best practices, thought leadership and industry wide accountability standards to promote DEIJ through hiring consultants and experts to launch research and white papers on DEIJ programs across renewable energy and Sustainability

*Current founding sponsors:*

# 2024 ADVOCATE PROGRAM

## Part of Impact program - PORTAL

### WRISE Advocates Program

*Whatever your strength or skill, there is a place for **you** in clean energy.*

With a focus on **women of color and other marginalized identities**, the WRISE Advocate Program inspires the **next generation of clean energy workers**.

From legal jobs to hard-hat construction jobs to engineering and manufacturing jobs, **there is a place for you in clean energy!**

WRISE Advocates program, launching in 2024 as the pilot program for  
Powering Renewable Energy Talent and Leadership (PORTAL)

## WRISE + GRID ALTERNATIVES CAREER FAIRS

We collaborate with GRID Alternatives each year to bring the renewables industry dedicated spaces to meet, interview, and hire diverse and talented jobseekers. Attendees include conference attendees, undergraduate, graduate, and PhD students from job training organizations, community colleges, and universities, and those looking to start or advance their clean energy careers.

Our **virtual Clean Energy Career Fair** will take place in March 2024 and will offer virtual table and sponsorship options. Last year's career fair saw more than 250 jobseekers!

Our RE+ Clean Energy Job Fair will take place in September 2024 and will offer table and sponsorship options. Last year's job fair saw over 300 jobseekers!

## LEADERSHIP FORUM

Sponsorships for the Leadership Forum will be available in 2024

The WRISE Leadership Forum is a unique experience that combines professional development with tools to advance renewable energy. Professionals from across the country meet to discuss current renewable energy trends and policy issues while gaining valuable insights to enhance their career and build their companies and organizations. From entry-level to experts, the Leadership Forum sees a diversity of individuals across clean energy and sustainability.
