

SPONSORSHIP OPPORTUNITIES 2025

Maximize your visibility and influence in
the clean energy community with WRISE.

WRISE

OUR STORY

Founded in 2005 as Women of Wind Energy (WoWE), Women of Renewable Industries and Sustainable Energy (WRISE) is committed to driving a sustainable and equitable energy future. With chapters across the U.S. and Canada, WRISE empowers a diverse network of over 25,000 participants. Our success is fueled by the generous corporate partners, individuals, and volunteers, who are working together to shape a more equitable clean energy future.

As we continue our journey toward a more sustainable and inclusive energy future, your partnership means more than just sponsorship. It's a shared commitment to empowering diverse voices and driving meaningful change.

WRISE's Mission:

WRISE drives the transition to an equitable energy future by championing the advancement of *ALL women across the renewable and sustainable energy industries.

Advancing *ALL women include focusing on underrepresented genders, races, and ethnicities.

WRISE's Values:

- **COMMUNITY** – We understand the significance of our collective power and interdependence. We build trust, collaboration, and empathy. We amplify the best in each other.
- **EQUITY** – We actively work to dismantle systemic injustice and oppression. We believe in valuing each person's complex identity and lived experience.
- **COURAGE** – We challenge ourselves and others to lead, take risks, speak up, and do what is right especially when it is not easy.
- **AUTHENTICITY** – We strive, as individuals and as an organization, to be honest, self-aware, transparent, and always evolving.

WRISE's Vision:

Women of Renewable Industries and Sustainable Energy (WRISE) imagines a transformed energy ecosystem where all people and our planet thrive.

PROGRAM SPONSORSHIP

– WRISE WEBINARS

\$10,000

A webinar sponsorship empowers us to bring industry-leading speakers to our professional development series. With 4-6 webinars each year, you'll reach an audience of 300+ industry professionals per event, amplifying your brand's influence across the renewable energy sector.

2 sponsor slots are available.

Sponsoring the WRISE webinars offer significant benefits:

- Logo and URL on e-marketing materials, signage, slides, and program webpage
- Listing on WRISE Sponsor webpage
- Logo featured on all webinars throughout the year

Our Impact

100+ Webinars To Date

4-6 Webinars Annually

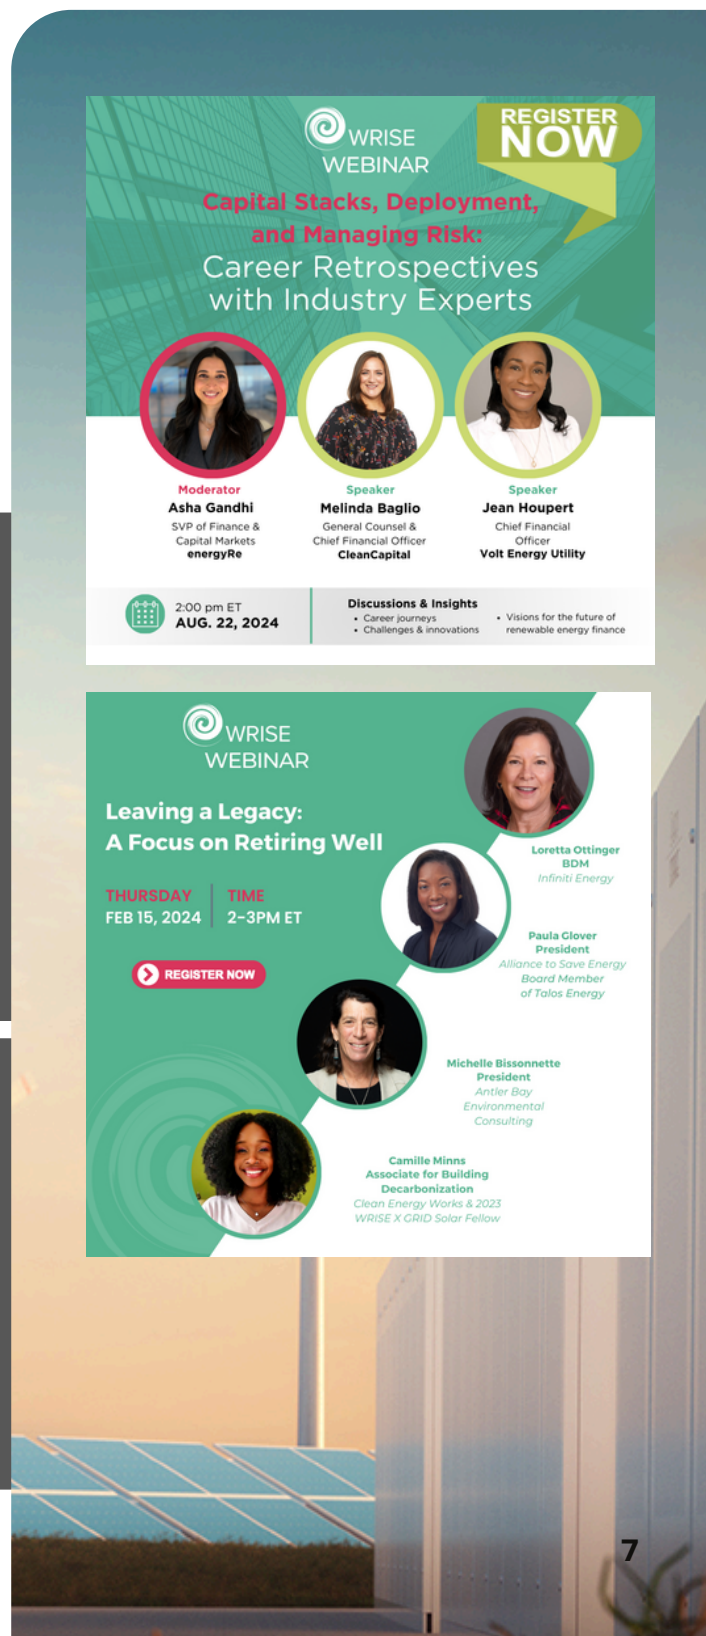

300+ Average Attendance

Diverse Topics Covered: Finance, policy, technology, personal development

Industry Experts Leading Every Session.

Our webinars aim to cover a balance of personal and professional development topics, ranging from sessions on green hydrogen and the Inflation Reduction Act, to sessions on personal branding and mental health in the workplace.

Webinars are live-streamed via GoToWebinar and open to the public. Webinar recordings are exclusively available to WRISE members in the WRISE Member Center.

– WRISE FELLOWSHIPS / SCHOLARSHIPS

\$5,000

Rising Solar Fellowship

Since 2017

- Over 112+ Solar Fellows to date and 8 fellows selected per year to attend RE+.

Rudd Mayer Fellowship

Since 2016

- Over 50+ Solar Fellows to date and 8 fellows selected per year to attend ACP.

Wind at Our Backs Scholarship

Since 2016

- We have awarded 3-5 scholarships annually, resulting in 21+ scholars to date.

Your sponsorship will help us provide fellows:

- 100% of registration, lodging, travel, and food expenses to attend trade show conference
- 12 months of small group mentoring, networking opportunities, professional development programming, and job shadowing
- Complimentary WRISE membership and Leadership Forum access

Sponsorship to support each Fellow(s) is **\$5,000**.

Sponsoring the WRISE Fellows offer significant benefits:

- **Logo featured** on program materials, event signage, and digital platforms.
- **Engage** directly with highly qualified and motivated fellows who are poised to become future leaders in the industry, offering opportunities for recruitment and collaboration.
- **Participate** in exclusive events and meetings with fellows, allowing for meaningful connections and relationship-building with emerging talent and industry peers.
- **Contribute** to the professional development of the next generation of industry leaders, ensuring a more sustainable and innovative future for the energy sector.

Please note that this sponsorship doesn't include annual partner benefits.

– WRISE IMPACT PROGRAM

\$25,000+

All Impact Programming sponsors are featured for the first 5 years of programming as a founding sponsor. Impact Programming sponsorship begins at \$25,000.

Portal

Through Powering Renewable Energy Talent and Leadership, this will fund programs to ensure entry and access to the sector to build a diverse workforce including:

- *Hosting virtual and in-person Career Fairs.*
- *WRISE Advocate Program.*
- *Creating networking and support opportunities to increase female entrepreneurs in the space in conjunction with our Partners.*
- *National PR and social campaign.*

Current founding sponsors:

WRISE Center for Workforce Equity

\$100k will fund WRISE initiatives:

- *Launching a series of programming and events that will increase representation and elevation of excluded communities, including BIPOC perspectives.*
- *The program will develop and disseminate best practices, thought leadership and industry wide accountability standards to promote DEIJ through hiring consultants and experts to launch research and white papers on DEIJ programs across renewable energy and Sustainability.*

Current founding sponsors:

2025 ADVOCATE PROGRAM Part of Impact Program - PORTAL

WRISE Advocates program, launching in 2025 as the pilot program for Powering Renewable Energy Talent and Leadership (PORTAL).

WRISE Advocates Program

Whatever your strength or skill, there is a place for you in clean energy.

With a focus on **women of color and other marginalized identities**, the WRISE Advocate Program inspires the **next generation of clean energy workers**.

From legal jobs to hard-hat construction jobs to engineering and manufacturing jobs, **there is a place for you in clean energy!**
