## WRISE Networking Reception

This event convenes and provides a platform for **ALL** women and nonbinary leaders in the clean energy sector to exchange their experiences, strengthen their network, offer support to each other and be enterprising in the energy business. For the more seasoned and executive woman leader, this is also a unique opportunity to serve as a role model for other upcoming women and to challenge the perceptions and stereotypes especially in the technical, commercial, finance and legal fields.

Our past events have convened 100+ senior and executive women including energy project developers, financiers, legal and transaction advisors, regulators, policy-makers, non-profit and other industry advocates. Join us to increase the representation of all women in order to ensure our organizations, communities and the industry, thrives!

Date: **March 11, 2024**

Venue: **Flagstaff/Casa Grande Hall, Arizona Biltmore, Waldorf Astoria Resort – Capacity 300**
