WRISE
Women of Renewable Industries and Sustainable Energy

# WRISE Annual Partner Benefits

2027 PARTNERSHIP OVERVIEW

## OUR CORE IMPACT PILLARS

### Create Opportunities

We create pathways that help women in the industry advance, lead, and stay.

### Enable Access

WRISE is national leadership infrastructure that turns connection into practical support, skills, and opportunity.

### Educate & Influence

Influence leaders to create an environment where women & underrepresented communities can thrive.

## Because the future of clean energy depends on the leaders we're developing today.

Connect your employees to WRISE's community and resources, with increasing opportunities for visibility, executive engagement, and industry leadership.
